

# Cookies We Use - Complete Register

Independently rebuilt on August 16, 2026 from the OneTrust consent configuration, GTM-W4XCFM container, and live Chromium accepted-consent cookie store from India.

**Publication note:** This is the complete register for legal review. Rows marked as live-observed but not declared in OneTrust should be added to OneTrust or otherwise dispositioned before the privacy/cookie policy is finalized.

## Strictly Necessary Cookies (3 rows)

| Category | Cookie                | Host          | Set by             | Duration | Evidence          | Purpose / notes                                                   |
|----------|-----------------------|---------------|--------------------|----------|-------------------|-------------------------------------------------------------------|
| C0001    | OptanonAlertBoxClosed | .rategain.com | OneTrust           | 1 year   | OneTrust declared | Stores the visitor's cookie-consent choices.                      |
